How it works

The East Herts Community Benefit Lottery is a weekly online lottery. All funds raised go to good causes that benefit the local community in East Herts. The draw takes place every **Saturday night at 8pm**.

Each ticket costs **£1 per week** and consists of six numbers. The more numbers you match in a draw the bigger the prize you win! There is a 50:1 chance to win prizes up to the **£25,000 jackpot**.

Players choose who their ticket purchase will support. They can either support the Community Fund (funds are distributed to the local community) or they can choose a specific good cause to support.

There are a range of payment options. Players can play monthly via **Direct Debit** or credit/debit card so they never miss a draw. They can also make a **one-off payment** via Debit Card for 1, 3, 6 or 12 months.

Players are notified by email when they win. To claim their winnings, they log in to the lottery site and choose to either have the winnings paid directly into their nominated account or donate their winnings back to the good cause they support.

60% from every ticket sold goes directly to local good causes!

Good causes receive 50p from every ticket purchased via their lottery page. A further 10p is distributed to other local good causes via the central fund. 20p goes towards the prizes which can be won by supporters every week and 20p covers the cost of running the lottery and VAT.

How can your good cause join?

Applying is easy - it's all done online and takes a few minutes. East Herts Council lottery team will check each cause qualifies with the 'cause conditions' and approve them. A full list of criteria can be found on the website.
